Subject to any voting restrictions and exclusions, the Chairman intends to vote in favour of Resolutions 1 to 4 (inclusive). In respect of undirected proxies, subject to any voting restrictions and exclusions, the Chairman intends to vote in favour of Resolutions 1 to 4 inclusive).

Voting requirements

Recommendation 6.4 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th edition) and ASX guidance provide that a listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands. In accordance with these recommendations, the Chair has determined in accordance with rule 16.14 of the Constitution that all Resolutions put to Shareholders at the Meeting will be decided by poll rather than by a show of hands.

In accordance with the Company's Constitution and the ASX Listing Rules, each Resolution put to Shareholders at the meeting must be passed by way of an ordinary resolution which requires the Resolution be approved by a majority of votes cast by Shareholders entitled to vote on the Resolution, other than Resolution 1, which is advisory only, and Resolution 4, which must be passed by way of a special resolution in accordance with the Corporations Act, such that the Resolution must be approved by 75% of the votes cast by Shareholders entitled to vote on the Resolution.

Technical difficulties

Technical difficulties may arise during the course of the Meeting. The Chairman of the Meeting has discretion as to whether and how the Meeting should proceed in the event that a technical difficulty arises. In exercising this discretion, the Chairman of the Meeting will have regard to the number of Shareholders impacted and the extent to which participation in the business of the Meeting is affected.

Where the Chairman of the Meeting considers it appropriate, the Chairman of the Meeting may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. For this reason, shareholders are encouraged to submit a directed proxy in advance of the Meeting in accordance with the instructions below, so that votes can still be counted even if you plan to attend the Meeting online.

EXPLANATORY STATEMENT

1. GENERAL INFORMATION

This Explanatory Statement is an important document and should be read carefully. It comprises part of, and should be read in conjunction with, the Notice of Meeting of members of Centrepoint Alliance Limited (Company) to be held on Friday, 14 November 2025.

If you have any questions regarding the matters set out in this Explanatory Statement (or elsewhere in the Notice of Meeting), please contact the Company, or your stockbroker or other professional adviser.

The Directors recommend Shareholders read the accompanying Notice and this Explanatory Statement in full before making any decision in relation to the Resolutions.

2. ANNUAL FINANCIAL AND OTHER REPORTS

The Corporations Act requires that the directors report, the auditor's report and the financial report be laid before the Meeting.

Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Meeting on the financial statements and reports of the Company.

Shareholders will be given a reasonable opportunity at the Meeting to raise questions and make comments on these statements and reports.

In addition to asking questions at the Meeting, Shareholders may address written questions to the Chairman about the management of the Company or to the Company's auditor for the relevant financial period, if the question is relevant to:

- the content of the auditor's report to be considered at the Meeting; or
- the conduct of the audit of the annual financial report to be considered at the Meeting.

Note: Under section 250PA(1) of the Corporations Act, a Shareholder must submit the question to the Company no later than the fifth business day before the day on which the Meeting is held.

Written questions for the auditor must be delivered to the Company by 5.00pm (AEDT) on Friday, 7 November 2025. Please send any written questions for the attention of the Company Secretary at Level 8, 309-315 George St, Sydney, 2000 or by email to kim.larkin@boardroomlimited.com.au.

3. RESOLUTION 1 — ADOPTION OF REMUNERATION REPORT

The Corporations Act requires that at a listed Company's Annual General Meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Directors of the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2025. A copy is available on the Company's [website](#).

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Voting consequences

Under the Corporations Act, if at least 25% of the votes cast on a Remuneration Report resolution are voted against the adoption of the Remuneration Report in two consecutive Annual General Meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company at the second Annual General Meeting (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting, at which all of the Directors (other than the Executive Directors) of the Company, would need to stand for re-election.

Following the Spill Meeting, those persons whose election or re-election as Directors of the Company are approved by the Shareholders, will be the Directors of the Company.

At the Company's 2024 Annual General Meeting, less than 25% of the votes cast on the resolution dealing with the Remuneration Report were voted against the adoption of the Remuneration Report. Accordingly, a Spill Resolution will not be put to this meeting regardless of the votes cast for or against this Resolution 1.

Shareholders should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of Resolution 1, subject to compliance with the Corporations Act.

Directors' Recommendation

As the resolution relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) of the Corporations Act, makes no recommendation regarding this resolution.

4. RESOLUTION 2 — RE-ELECTION OF MARTIN PRETTY

Rule 19.3 of the Constitution states that at each Annual General Meeting of the Company, Directors (other than the Managing Director) must retire from office if they held office past the third annual general meeting or 3 years since the Director's last election, or where there is no Director to retire under rule 19.3, the Director (or Directors) to retire is the Director (or Directors) who has been longest in office since last being elected under rule 19.3. A retiring Director is eligible for re-election.

In accordance with these requirements, Martin Pretty retires under rule 19.3 at this year's Annual General Meeting and, being eligible, stands for re-election.

Martin brings to the Board over 20 years' experience in the finance sector. The majority of this experience was gained within ASX-listed financial services business, including Hub24, Bell Financial Group and IWL Limited. Martin currently works in the investment management industry and has done so for over a decade since March 2013. If this Resolution is passed, Mr Pretty will be re-elected to the Board as an independent, Non-Executive Director.

If this Resolution is not passed, Mr Pretty will not continue in his role as an independent, Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

Directors' Recommendation

The Directors (other than Mr Pretty) recommend that Shareholders vote in favour of Resolution 2.

5. RESOLUTION 3 — RE-ELECTION OF LINDA FOX

Rule 19.3 of the Constitution states that at each Annual General Meeting of the Company, Directors (other than the Managing Director) must retire from office if they held office past the third annual general meeting or 3 years since the Director's last election, or where there is no Director to retire under rule 19.3, the Director (or Directors) to retire is the Director (or Directors) who has been longest in office since last being elected under rule 19.3. A retiring Director is eligible for re-election.

In accordance with these requirements, Linda Fox retires under rule 19.3 at this year's Annual General Meeting and, being eligible, stands for re-election.

Linda has a background in wealth management, banking and professional services in organisations that include start-ups, global and multi-billion-dollar enterprises.

Linda was elected as Non-Executive Director of the Company on 15 November 2024 and is the Chair of the Group Audit, Risk and Compliance Committee.

Technical information required by Listing Rule 14.1A

If this Resolution is passed, Linda Fox will be re-elected to the Board as an independent, Non-Executive Director.

If this Resolution is not passed, Linda Fox will not continue in her role as an independent, Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on

its strategic vision.

Directors' Recommendation

The Directors (other than Linda Fox) recommend that Shareholders vote in favour of Resolution 3.

6. RESOLUTION 4 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares but for the same proportion of each shareholder's shares (**Proportional Takeover Bid**).

In accordance with section 648D(1)(a) of the Corporations Act, the Company has included rule 15 in its Constitution, whereby a Proportional Takeover Bid for Shares may only proceed after the Proportional Takeover Bid has been approved in a meeting of Shareholders held in accordance with the terms set out in the Corporations Act (**Proportional Takeover Provisions**). The Proportional Takeover Provisions have been extracted in full in Annexure A to this Explanatory Memorandum.

Pursuant to section 648G(1) of the Corporations Act, Proportional Takeover Provisions will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its Proportional Takeover Provisions in the same manner in which a company can modify its constitution (i.e. by special resolution of shareholders) before the clause ceases to apply. The Directors propose that the Proportional Takeover Provisions are renewed for a further period of three years from the date the Resolution is approved.

Information required by the Corporations Act

The following information is required by section 648G of the Corporations Act:

(a) Effect of Proportional Takeover Provisions

Pursuant to the Proportional Takeover Provisions, the registration of a transfer of shares acquired under a proportional off-market bid in respect of a class of securities in a company is prohibited unless and until a majority resolution to approve the proportional off-market bid is passed.

The Directors must ensure that a meeting of Shareholders is convened to vote on the resolution. The resolution must be voted on at least 14 days before the last day of the bid period (Approving Resolution Deadline). If no resolution to approve the bid has been voted on at the end of the day before the Approving Resolution Deadline, a resolution to approve the bid is taken to have been passed.

If the resolution is not passed before the Approving Resolution Deadline, the bid cannot proceed and any transfers giving effect to the takeover contracts for the bid will not be registered.

These Proportional Takeover Provisions do not apply to a full takeover bid for all of the Shares in the Company.

(b) Reasons for proposing Resolution 4

A Proportional Takeover Bid may result in the control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These provisions allow Shareholders to decide whether a Proportional Takeover Bid is acceptable in principle, and assist in ensuring that any

partial bid is appropriately priced.

(c) Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of a substantial interest in the Company.

(d) Potential advantages and disadvantages of Proportional Takeover Provisions for Shareholders

The potential advantages of the Proportional Takeover Provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) assisting in preventing Shareholders from being locked in as a minority;
- (iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the Proportional Takeover Provisions for Shareholders include:

- (i) Proportional Takeover Bids may be discouraged;
- (ii) lost opportunity to sell a portion of their Shares at a potential premium price; and
- (iii) the likelihood of a Proportional Takeover Bid succeeding may be reduced.

If a Proportional Takeover Bid is made, the Company will incur the cost of calling a meeting of Shareholders.

(e) Potential advantages and disadvantages of Proportional Takeover Provisions for Directors

The Directors consider that the Proportional Takeover Provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a Proportional Takeover Bid should be accepted.

Directors' Recommendation

The Directors believe that the potential advantages of renewing the Proportional Takeover Provisions outweigh any potential disadvantages and unanimously recommend that Shareholders vote in favour of Resolution 4.
